

Top Ten Finisher

Predators & Editors Readers Poll 2010

Artwork by Mike Kerins

I am thrilled to share with you that my historical fiction children's book, *The Golden Pathway* placed as a Top Ten Finisher in the children's book category of the Predators & Editors Readers Poll 2010.

My heartfelt thank you to all who voted, I truly appreciate your ongoing and never ending support in my writing career!

Many of you I know personally and I am humbled to be in such talented company. Congratulations to all!

“Fantastic! There's nothing like it!”

“*The Golden Pathway* is an excellent book on slavery and the Underground Railroad for young readers. It is an excellent book for parents to read with their children or teachers to read with their students.”

“Donna's book is a must read, every school in America should have a copy of it. We can all learn a lesson about compassion from the main character.”
